Reference: Amended Year End Report (10/1/05-12/31/05), received 4/13/06

Dear Ms. Palmer:

This letter is in response to your May 30, 2006 request for additional information about two changes in the receipts and disbursements on an amendment filed by Conyers for Congress (the "Committee").

First, as regards the increase in disbursement activity, due to a clerical error, a single disbursement in the amount of \$25,000 was not disclosed on the original report. Immediately upon identifying this error, the Committee filed an amendment to reflect accurately the disbursement activity for this period.

Second, as regards the decrease in receipts, the Committee discovered that a deposit totaling \$10,285 was never posted to its bank account. Upon further research, the Committee determined that 14 checks, which were received, processed and deposited in a night drop at the bank, were lost by the bank. Because the receipts in question were never deposited into the Committee's bank account, the Committee amended its report to remove the contributions and sought replacement checks. If you would like supporting documentation regarding the lost checks, the Committee would be willing to supplement this letter.

If you have any further questions, please feel free to contact the Committee.

Sincerely,
Michael J. Remington
Treasurer
Conyers for Congress
